

Kigluait Special Events: Adopt a Sled Dog

Make Dog Snacks for Your Dog

1. Can of Mackerel with broth
2. 2 TB of Garlic Powder
3. 2 Eggs
4. 2-3 cups of Flour

Pre-heat oven to 325 degrees. Mix together so dough is like cookie dough and pat together on greased cookie sheet 1/8 in thick. (You can use a bit of flour on top to pat easier).

Bake at 325 for 25 minutes or until crispy. When done, cut up into 1-2 in size pieces.

Mail them to your sled dog:
